PARADOX

OLD SCHOOL + NEO STYLE

UNMATCHED CLASSICS
AND STATE-OF-THE-ART NOVELTY
TECHNIQUES.

From each decade since the beginning of the 20th century we have selected a cocktail classic, which you can choose either as an excellent classic variant or as a modern interpretation.

The classic version is literally the cocktail that generations of guests have come to know and love – of course, in an unequivocal quality. The modern version is an adaptation and creation by the bar team. Lighter, more buoyant, but still equipped with complex flavors.
